

## RIDE WITH US TOWARD A WORLD WITHOUT T1D

The JDRF Ride to Cure Diabetes is a destination cycling event that takes place in several stunning locations across the United States. Cyclists of all skill levels come together to raise funds for JDRF—the leading global organization funding type 1 diabetes (T1D) research—and to take part in a weekend-long celebration that leads up to the one-day Ride.

Visit [ride.jdrf.org](http://ride.jdrf.org) for more information or contact Randall Lawrence at (248) 936-1285 or [rlawrence@jdrf.org](mailto:rlawrence@jdrf.org).
