

Artificial Pancreas

The burden is eased
all day, and you
sleep safely
through the night

You're Invited!

**The Metro-Detroit/Southeast Michigan Chapter
INVITES YOU TO ATTEND A JDRF OPEN HOUSE**

Saturday, November 12, 2016 • 9:00AM-11:00AM

Wayne County Community College District—Western Campus
9555 Haggerty Rd, Belleville, Michigan

Join **Dr. Jennifer Sherr, MD, PhD, Assistant Professor, Yale University School of Medicine**

as she discusses the “Artificial Pancreas”

and the first FDA approved hybrid closed loop system, the MiniMed 670G.

Dr. Sherr will be here to present the clinical aspects of this life-changing device,

describe the benefits of the technology,

and how this new therapy can be applicable for you.

She not only was an investigator in the clinical trial but also a patient participant.

- ◆ No Charge to Attend
- ◆ Registration is Required
