BRAND LOYALTY

SOCIAL RESPONSIBILITY

SNEAKER SALES PROGRAM

Show your support for your local community. Sell paper sneakers for \$1 or more each. JDRF provides the sneakers that come in four colors, (blue, highlight blue, green and orange) and are bar coded for easy scanning and tracking. Employees ask all customers if they would like to purchase a paper sneaker to support diabetes research. The customer signs his/her name on the sneaker and the sneakers are displayed on walls of location for everyone to see.

ROUND UP PROGRAM

Customers are asked to round up to the nearest dollar at point of purchase for diabetes research. JDRF provides a round up in a box which includes all promotional materials, diabetes information and employee support.
