### Why partner with Breakthrough T1D

Tee to Table is a premier fundraising event set on the beautiful California Coast! The day features a golf tournament scramble on the Ocean Course, a round-robin tennis tournament, a round-robin pickleball tournament, followed by cocktails, gourmet dinner, presentation of the Impact Award, live auction, Fund A Cure program, and dancing! Leaders and families of Silicon Valley come together for this fun and relaxed fundraising event.

Breakthrough T1D (formerly JDRF) is the leading global type 1 diabetes (T1D) research and advocacy organization. We invest in the most promising research to turn ideas into life-changing therapies and devices. We work with government, regulatory officials, and insurance companies to address issues that impact the T1D community. We provide resources and guidance that make it easier to live and thrive with T1D.

Our mission is to improve lives today and tomorrow by accelerating life-changing breakthroughs to treat, prevent, and, ultimately, cure T1D and its complications.

## What a cure for T1D would mean:

*"The hardest part of living with T1D is all of the needle pokes and sensor changes. A cure would mean that I can swim and play sports without having to pause because of diabetes."*

**Liam – Age 6**

**Diagnosed at Age 5**

*"A cure would mean a world without pods, sensors, and constant BG check-ins.*

*A cure = freedom."*

**Rhea – Age 12**

**Diagnosed at Age 4**

**As we drive toward curing type 1 diabetes, we help make everyday life better for the people who face it.**
