The JDRF Gala is one of the nation's premier charity events, providing a valuable return on your investment through endless networking and marketing opportunities. Joining corporate and community leaders, you and/or your company will be making a significant and direct impact in the lives of those living with type 1 diabetes (T1D).

The JDRF Gala offers exciting live and silent auctions, and JDRF's signature **Fund A Cure**, where **100% of your donation goes directly to research**, significantly impacting the vital mission of JDRF.

Companies & individuals support JDRF because we have a solid track record of funding research efficiently and effectively. Approximately 80% of what we raise goes directly to research and research-related education, which is among the highest percentages for charities nationwide. T1D-associated healthcare costs in the U.S. account for \$16 billion dollars annually. You can help JDRF reduce that number. The time is now.
