ABOUT THE GOLF CLASSIC

The Breakthrough T1D (formerly JDRF) Fore the Kids Golf Classic is celebrating its 34th year hosting the golf classic in Orange County. For the first time ever, the tournament will take place at Monarch Beach Golf Links on Monday June 16th. Monarch Beach Golf Links is an intriguing Orange County, CA, layout – one of only a handful of oceanfront golf courses throughout California. This year's event co-chaired by Torrey DiRoberto and Jenny Rodriguez, will include a day of golf at one of Orange County's finest oceanfront golf courses, followed by a post golf celebration of cocktails, food and fellowship. The evening celebration will also include a short presentation, a live auction, and our annual fund-a-cure supported by our Youth Ambassadors. Together, we're advancing breakthroughs on our way to making this condition a thing of the past. Thank you!

ABOUT BREAKTHROUGH T1D

Breakthrough T1D works every day to change the reality of this disease for millions of people—and to prevent anyone else from ever knowing it—by funding research; advocating for government support of research and new therapies; ensuring new therapies come to market and are recommended by healthcare providers; and connecting, engaging, and educating the T1D community. Founded by parents determined to find a cure for their children, Breakthrough T1D expanded via grassroots fundraising and advocacy efforts, becoming a powerhouse in the scientific community with dozens of U.S. locations and five international affiliates.

MANY THANKS TO LAST YEAR'S SPONSORS
